

From Holmen:
Starting @ Kwik Trip in Holmen

Assuming that everyone knows how to get to Kwik Trip in Holmen, follow these directions to get to Melrose-Mindoro High School. From Kwik Trip, go north to the first set of stoplights and turn right. This is W. Gaarder St. At the next intersection, follow Main Street to the left from W. Gaarder. Follow Main until you come to County Hwy "D" (State St.). Turn right at CTH "D". After leaving Holmen on CTH "D", you'll go through an "S-curve". After the curve, follow "D" to the left Soccer fields are behind the high school. After taking the left as indicated above, follow "D" all the way to Mindoro. At the stop sign in Mindoro (this will be State Hwy 108), take a left. From this intersection, follow 108 out of Mindoro for about 6 miles and Melrose-Mindoro High School will be on your left right after you cross into Jackson County. Be careful to pay attention to the road signs because 108 and CTH "T" are the same road for a very short distance just outside of Mindoro.

From Valley View Mall:
